ENGINEERING NEWS-RECORD

A WEEKLY JOURNAL OF CIVIL ENGINEERING AND CONSTRUCTION

Volume 157

★

JULY-DECEMBER, 1956

McGRAW-HILL PUBLISHING CO., INC.
330 WEST 42nd ST., NEW YORK 36, N. Y.

A

Accidents

Brooklyn cave-in deaths—N. Y. C. acts to force contractors to provide better protection ....Aug. 16 23
Brooklyn, N. Y. cave-in—five construction company officials indicted Sept 20 25
Brooklyn construction excavation—cave-in-deaths bring suits and city-state controversy ....July 19 25
Collapse of a wing of a 4-story concrete office building kills ten men in Jackson, Mich ....Oct. 11 *24
Falsework failure injures eleven men in Jackson, Miss....Oct. 11 25
Feather River diversion tunnel collapse kills two....July 12 24
North Bergen, N. J. television tower hit by private plane....Nov. 22 *26
Varennes, Que.—trench sheeting fails, cave-in kills seven....Nov. 1 *25

Aeronautics

Airports
Castle Air Force Base, Calif. use of new finishing equipment to meet the rigid paving specifications Dec. 6 208
Chicago Midway Airport improves runways, taxiways (unit prices) Dec. 6 240
Dallas' Love Field—ramps and service ways (unit prices)....Dec. 6 237
Edwards Air Force Base, Calif.—rocket test cantilever concreting needs massive timber tower support ....July 26 (F) *40
Ellsworth Air Force Base, South Dakota—$1.3 million for aprons (unit prices) ....Sept. 20 89
Indianapolis Airport—close bids on run and taxiways (unit prices) Dec. 6 238
Little Rock Air Force Base, Ark. contract for bituminous concrete apron (unit prices) ....Nov. 1 78
Miami International Airport—taxiways and lighting (unit prices) Dec. 6 239
Michigan Airport will cost $10.7 million ....Nov. 15 29
Minnesota Airbase changes to rigid paving (unit prices) ....Aug. 16 98
New Castle, Del. County Airport—Air Force requests funds for new jet strip ....July 5 32
1959's civilian jet airliners are a boost for airport work....Dec. 6 73
North Dakota Airfield, the Hector Field in Fargo gets cement concrete pavement (unit prices)....Dec. 6 240
Hangars
Edwards Air Force Base, Calif. steel trussed arches span 360 ft in hangar Aug. 9 (F) *36
Lakehurst, N. J. World War II blimp hangars get new roof....Sept. 6 32
Newark Airport, N. J. was tilted up to provide additional clearance for new DC-6 and DC-7 ....Aug. 2 *23
Philadelphia International Airport—cables support 130-ft hangar roof Dec. 27 (F) *39
Heliports
Concrete landing decks for helicopters go to sea....Nov. 15 *25
New York City First commercial heliport scheduled for completion in three months....July 19 24
Simmons Field, N. C. paving costs $0.59 per sq. ft. (unit prices) Sept. 13 110
Radar platforms
Nantucket Shoals—second Texas tower rises over the sea....Aug. 16 *26
Texas tower tilts down into place east of Sandy Hook....Oct. 25 (F) *40
Seadrome for San Diego Navy Base bids sought....Dec. 6 76
Africa—Gold Coast's Volta River gets first bridge....Aug. 16 *72

Air Conditioning

Air-conditioned machine shop in Texas (unit prices)....July 5 137
Building for industry—New ways to heat and cool....July 5 (F) *94
Los Angeles central plant for heating and air conditioning Civic Center Nov. 1 *24

Air Pollution

Bromley, Ky. Mayor calls odoriferous sewage plant "costly experiment" Sept. 20 26
Glendale, Calif. new incinerator promises less smog....Oct. 11 (F) *47
Los Angeles,—rubbish burning serious contributor to smog....July 19 44
Odor control by lagoon dusting at sewage lagoon in Regina, Saskatchewan ....Nov. 1 76
Ozone forms in smog areas....Dec. 6 208
PHS allocates half million for fiscal 1957 research ....Nov. 1 40
Allied Consultants of Canada, Ltd. International consulting combine formed Sept. 6 77

Aluminum

Africa's Gold Coast hydro-aluminum project is termed feasible...Sept. 13 68
Aluminum and plastic dome will be erected in St. Louis, Mo. for the Mid-America Jubilee ....Aug. 9 *27
Aluminum, Ltd. plans $100-million metal project in West Africa. Nov. 29 79
Colored aluminum for Pittsburgh's Carnegie Institute....Nov. 1 *25
Lakehurst, N. J. World War II blimp hangars get new roof....Sept. 6 *32
Olin Mathieson Chemical Corp and Revere Copper form aluminum company ....Sept. 6 172
Shortage of aluminum building sheets Sept. 6 170
American Assn. of State Highway Officials—Atlantic City meeting discusses interstate system, use of electronics Dec. 6 (F) 69
Bugge, W. A., new president..Nov. 29 *45
American Public Works Association—62nd annual convention highlights authorities vs. elected city officials Oct. 4 (F) *28
American Road Builders Assn.—Chicago International Amphitheater being enlarged for Road Show....Nov. 22 *27
County and Local Roads Div. annual meeting ....Sept. 27 26
Grand Plan gets boost from ARBA Sept. 27 28
American Road Builders Assn. and Construction Industry Manufacturers Assn.—Road Show—More than a show Nov. 29 e96
American Society of Civil Engineers—Annual convention in Pittsburgh votes two studies of profession technical papers on construction....Oct. 25 21
Lockwood, Mason G. new president takes stock....Oct. 25 *69
American Society for Testing Materials—New data on how materials behave Oct. 4 (F) 45

Aqueducts

Delaware Aqueduct—the unused Hudson River pumping station at Chelsea, N. Y. faces destruction....July 12 *25
Delaware Aqueduct to be dewatered and cleaned before Long Island water supply system can be released for sale ....Aug. 2 24

Arches

Brazil's Peixoto Dam has arch between gravity sections (map)...Aug. 2 (F) *43
Concrete arches above exhibition palace at Nice, France....Aug 23 (F) *56
Edwards Air Force Base—steel trusses arches span 360 ft in hangar Aug. 9 (F) *36
Light-gage steel arches span 100 ft to form roof over Phoenix, Ariz. sports coliseum ....Aug. 16 *33
Six three-hinged arches form market roof dome of Palo Alto, Calif. market H. M. Engle....Sept. 13 (F) *42
Sports arena at Commack, N. Y. said to be biggest building yet framed with glued-laminated wood roof arches Aug. 30 *27
Wood falsework for Italian concrete bridge spans 331 ft....Aug. 16 *71

Architects

Architect-engineer new business in 1955 by type of work and compared with 1954 (tables)....Oct. 18 111
Architects new business in 1955 by type of work and compared with 1954 (tables) ....Oct. 25 108
Bailey architects not striking R. R. Cutler ....July 5 10
Delaware's 5% fee limit on school jobs repealed....July 5 30
Asphalt gunite—Used to line canals Sept. 13 (F) *35
Associated General Contractors—Meeting in Milwaukee spotlights manpower—one more problem for contractors Sept. 27 23
Associations—Gird up, it's meeting time Sept. 20 e132
Atkinson, Guy F.—Gets 1957 Moles Award Nov. 15 *26

Atomic Energy

ASCE discusses Shippingport, Pa. nuclear power plant....Oct. 25 *21
Army Package Power Reactor unpackaged at Fort Belvoir, Va. July 12 (F) *45
Columbus, Ohio—Battelle Institute large pool reactor finished....Nov. 8 *23
First nuclear plant goes on the line in England....Oct. 25 *48
Giant sphere to be built to house atomic reactor ....Aug. 16 25
Michigan atom plant opposed by unions ....Nov. 15 114
Not entirely for us....Nov. 15 e132
Nuclear information group will aid utility companies....Oct. 4 32
Nuclear research laboratory at Pawling, N. Y. features low-cost shielding R. F. Borg (table)....Dec. 6 (F) *295
U. S. Chamber of Commerce approves federal plant insurance....Dec. 20 73
Yankee Atomic Electric Co. plans financing for atomic power plant in Rowe, Mass....Nov. 29 78

Atomic Energy Commission

Hanford labor dispute truce is reached Oct. 4 147
Hanford travel pay dispute deadline set ....Aug. 30 78
Auditoriums see Stadiums

Automation

Automation spurs training for Canadian electricians ....Aug. 23 118
Labor looks at automation....July 12 110
Water and sewerage systems—ENR status report on automatic controls ....Aug. 2 *19

Awards

Founder Societies' medal to Adm. Ben Morrell ....Oct. 25 23
Curtis W. McGraw Research Award to be given for engineering research Nov. 8 25
Moles Award 1957 to Guy F. Atkinson, Louis R. Perini....Nov. 15 *26

B

Baldock, Robert Hugh (Sam)—A modern roadbuilding pioneer retires...Aug. 16 *86
Barker, Joseph W.—Elected president by Engineers Joint Council....Dec. 6 75
Beach Protection see Shore Protection

Beams

Composite concrete beam and slab construction needs no shear keys—Shear keys are useless. H. M. Hadley July 26 9
Shear keys still necessary. R. V. Hauer Sept. 13 10
Steel I-beam bridge will replace old structure in Wyoming (unit prices) Nov. 15 82
Tests of prestressed concrete bridge beam shows need for web steel. W. E. Dean....Dec. 20 (F) *36
Blasting—Warning system set up to announce pike blasting along Connecticut Turnpike....Aug. 23 34
Blee, C. E.—Steps out after 21 years with TVA ....Dec. 27 *52

Bonds

Bond market better....Sept. 27 106
Connecticut postpones sale of $75-million road bonds....Nov. 8 139
Connecticut Turnpike hits bond market roadblock ....Nov. 29 77
Jacksonville, Fla. construction gets $100-million bond boost....Nov. 22 80
Memphis, Tenn. sells biggest city bond issue at highest rate to finance steam power plant....Dec. 20 22
Money scarcity puts breaks on boom Aug. 30 73
Municipal bond sales lag....Sept. 6 170
Prices down again, levels reach 17-year low ....Nov. 22 81
Record total of $2.7 billion will be submitted to the voters....Nov. 1 27
Sacramento, Calif. tries novel bond plan to finance redevelopment....Aug. 30 75
Washington State Toll Bridge bonds slated to go to market for second time ....Sept. 20 113

Book Reviews

Aluminum in modern architecture Vol. 1. John Peter. Vol. 2 Paul Weidlinger Dec. 13 58
Analysis of structures. N. J. Hoff Oct. 11 105
Architects' detailed sheets ed. E. D. Mills ....Sept. 6 104
Architectural beauty in Japan. Horiguchi & Hamaguchi....Aug. 16 96
Architectural construction. Theodore Crane ....Sept. 20 82
Architectural engineering....Sept. 13 107
Architectural graphic standards 5 ed. Ramsey & Sleeper....Oct. 11 105
Building planning and design standards. H. R. Sleeper....Sept. 6 102
Concrete roads design and construction. Road Research Laboratory. D. S. I. R. July 26 76
Construction planning, equipment, and methods. R. L. Peurifoy....July 19 78
Design and construction of engineering foundations. F. D. C. Henry..Oct. 11 105
Design in civil architecture. Richardson & Corflato....Nov. 8 90
Design for reinforced concrete. W. Rogusiavsky ....Aug. 9 82
The design of storm-water inlets—compiled by the Storm Drainage Research Project Committee at Johns Hopkins University....July 19 78

* Illustrated; e, editorials; (F) Articles over a page

Disposal of sewage and other waterborne wastes. Karl Imhoff & others ..... Dec. 13 58
Engineering as a career. R. J. Smith ..... Sept. 6 102
Engineering mechanics. Timoshenko & Young ..... Sept. 27 68
Foundations design and practice. E. E. Seelye ..... Aug. 23 77
Foundation engineering. Rolt Hammond ..... Aug. 9 81
The future of arid lands ed. G. F. White ..... Dec. 27 56
Handbook of engineering materials. Miner & Seastone ..... Aug. 9 82
Italy builds. G. E. Kidder Smith ..... Aug. 16 96
McGraw-Hill Encyclopedia of Science and Technology planned ..... Sept. 27 68
The metropolitan transit problem. Wilfred Owen ..... Oct. 18 74
Our nation's water resources, policies and politics. Ben Moreell ..... Oct. 25 72
Precast concrete Kurt Billig ..... July 26 76
Rideau waterway. Robert Legget ..... Oct. 11 105
School planning and building handbook. N. L. Englehardt & others ..... Dec. 27 56
Streamlined specifications standards Vol. II Mechanical and Electrical. Small & Axelbank ..... Aug. 9 81
Structural shop drafting Vol. 3, American Institute of Steel Construction ..... Aug. 16 96
Trane air conditioning manual. The Trane Company ..... July 26 76
The ultimate-load theory applied to the design of reinforced and prestressed concrete frames. A. L. L. Baker ..... Dec. 27 56

Bridge Accidents & Failures

Brazos River, Tex. highway bridge collapse blamed on faulty shoring ..... July 12 23
Cleveland, Ohio huge 450-ft ore handling bridge loses bout with heavy winds ..... Aug. 23 *27
Hawaii's Territorial Highway Dept. battles bridge-devouring termites ..... July 12 28

Bridge Construction

Appomattox Bridge substructure in Virginia (unit prices) ..... Nov. 8 94
Bascule bridge in Stockholm, Sweden is one of the biggest ..... Aug. 30 *44
Carquinez Bridge, Calif., caisson concreting begins ..... Sept. 13 *27
China's Yangtze bridge will link Wuchang and Hanyang ..... Sept. 13 66
Chicago's Calumet Skyway—new bids on toll bridge are up 3.45% (unit prices) ..... Oct. 4 107
Florida's four lane project across Tampa Bay built at low cost. W. E. Dean ..... Sept. 29 (F) *42
Great Britain plans record steel arch bridge over Mersey River ..... Aug. 23 58
Hampton Roads Bridge-Tunnel job slowed by approaches (map) ..... Nov. 29 (F) *34
Hartford, Conn. bridge plans slowed because of availability of U. S. funds for highway purposes ..... Sept. 13 27
India—new 2½ mile Ganges bridge will open up North Bihar ..... July 5 124
Italy's Santa Trinita Bridge over Arno at Florence being rebuilt ..... Dec. 20 *49
Kansas City, Mo.—Missouri crossings: ancestor (1869), first generation and new addition ..... Sept. 27 *27
Kingston-Rhinecliff Bridge, N. Y. is key step in completing 800-ft-long continuous-truss span (map) ..... Aug. 9 (F) *42
Lake Washington—location of second floating bridge awaits new recommendation ..... Aug. 23 34
Louisiana—24-mile bridge across Lake Pontchartrain ..... Aug. 30 (F) *30
Louisiana—24-mile bridge across Lake Pontchartrain—Good cost record. M. M. Upson ..... Nov. 8 6
Malayan government asks foreign bids for bridge job ..... Aug. 30 44
Montana—T-beam bridges (unit prices) ..... Sept. 6 120
New Orleans, La. cantilever highway toll bridge—Delay from strikes. F. M. Masters ..... Aug. 2 8
New Zealand bridge building becoming rapidly expanding field ..... Sept. 27 *52
Prestressed girders for Corpus Christi Ship Channel Bridge, Tex. (unit prices) ..... Dec. 20 61
Quinnipiac River Bridge foundation-use of banded forms to save time and money ..... Dec. 13 (F) *40
St. Lawrence crossing—superstructure bids for high-level bridge across South Cornwall Island Channel asked ..... Oct. 4 32
St. Lawrence Seaway's opening may be delayed by failure to complete suspension bridge to Cornwall Island (map) ..... Aug. 2 22
San Francisco Bay crossing called financially marginal ..... Nov. 15 24
San Francisco's Richmond-San Rafael Bridge outmodes another bay ferry ..... Sept. 13 *28
Santa Felicia Dam, Calif.—cranes move in unison to erect 122-foot precast span ..... Sept. 27 *41
South Carolina Highways—contracts for reinforced concrete bridge and underpass awarded (unit prices) ..... July 12 74
Steel truss railroad structure across Lulnaba River, Belgian Congo, being constructed ..... Sept. 13 *64
Virginia bridges the Rappahannock River, largest high-level bridge ever built by state dept. ..... Nov. 8 (F) *54
Volta River bridge, Africa, nears completion ..... Oct. 4 *56
Washington, D. C. bridges top estimate by 19.5% (unit prices) ..... Sept. 6 120
Washington—plans for two new bridges gain headway ..... July 5 32

Bridge Design

Bascule bridge in Stockholm, Sweden is one of the biggest ..... Aug. 30 *44
Connecticut prestressed concrete bridge will have many 120-ft spans ..... Sept. 6 27
Early suspension bridge. N. De Wind ..... July 5 *10
Fort Pitt Bridge, Pa.—unusual design described at ASCE meeting ..... Oct. 25 *21
Fort Pitt Bridge, Pa.—unusual design—Previous truss-tied arches. Louis Balog ..... Nov. 15 8
Great Britain plans record steel arch bridge over Mersey River ..... Aug. 23 58
Missouri River Bridge cited as most beautiful long-span bridge ..... Oct. 25 *26
New York Thruway sets welded-girder record. E. J. Ramer ..... Nov. 1 (F) *43
Prestressed hollow-box girder bridges in Cuba show savings in construction costs. H. K. Preston ..... Dec. 27 (F) *34
Staten Island-N. J. railroad bridge contract awarded for longest lift span ..... Dec. 13 *25
Steel girder underbids post-tensioned concrete for pedestrian crossing over the Delaware River (unit prices) ..... Dec. 6 243
Wyoming I-beam bridge and highway cost $631,452 (unit prices) ..... Nov. 15 82

Bridges

Africa
- Gold Coast's Volta River gets first bridge ..... Aug. 16 *72
- Volta River bridge nears completion ..... Oct. 4 *56

Appomattox Bridge, Va.
- $903,663 contract for substructure (unit prices) ..... Nov. 8 94

Belgian Congo
- Steel truss railroad structure across Lulnaba River being constructed ..... Sept. 13 *64

Brazos River, Tex.
- Highway bridge collapse blamed on faulty shoring ..... July 12 23

California
- Richmond-San Rafael Bridge—proposed 25-cent fare for motorcycles may be tripled ..... July 5 30

Canada
- Contract let for suspension bridge across South Cornwall Channel ..... Dec. 13 *28
- Cornwall Island bridge may delay opening of the St. Lawrence Seaway (map) ..... Aug. 2 22
- Superstructure bids for high-level bridge across South Cornwall Island Channel asked ..... Oct. 4 32

Carquinez Bridge, Calif.
- Caisson concreting begins ..... Sept. 13 *27
- Scrapers in tandem are tools for biggest highway dirt job: freeway approach for Carquinez Bridge (map) ..... Oct. 4 (F) *36

Chicago, Ill.
- Calumet Skyway—new bids on toll bridge are up 3.45% (unit prices) ..... Oct. 4 107

China
- Yangtze bridge will link Wuchang and Hanyang ..... Sept. 13 66

Cleveland, Ohio huge 450-ft ore handling bridge loses bout with heavy winds ..... Aug. 23 *27

Connecticut
- Prestressed concrete bridge will have many 120-ft spans ..... Sept. 6 27

Cuba
- Design of prestressed hollow-box girder bridges. H. K. Preston ..... Dec. 27 (F) *34

Delaware Memorial Bridge
- New Jersey still blocks Delaware crossing plans, demanding toll-free passage ..... Dec. 6 74

Delaware River
- Covered bridge between Portland, Pa. and Columbia, N. J. will be replaced by steel girder bridge (unit prices) ..... Dec. 6 243

Ecuador
- Steel bridge at Quevedo to connect Pan-American Highway with the Pacific Coast ..... Nov. 8 *61

Florida
- Bascule bridge for $26.82 per sq. ft. of deck (unit prices) ..... Dec. 6 243
- Four lanes across Tampa Bay at low cost. W. E. Dean ..... Sept. 29 (F) *42

Fort Pitt Bridge, Pa.
- Unusual bridge design on the Penn-Lincoln Parkway described at ASCE meeting ..... Oct. 25 *21

France
- Europe's largest suspension bridge across the Seine River in Tancarville ..... Nov. 8 61

Germany
- Rhine at Cologne gets single-tower suspension bridge ..... July 26 *63

Great Britain
- Record steel arch span planned over Mersey River ..... Aug. 23 58

Grey's Point Bridge, Va.
- Virginia bridges another of its broad rivers, Rappahannock River ..... Nov. 8 (F) *54

Hartford, Conn.
- Five new bridges for Connecticut River slated as toll structures ..... Oct. 25 27

India
- New 2½-mile Ganges bridge will open up north Bihar ..... July 5 124

Italy
- Santa Tiritta Bridge at Florence being rebuilt ..... Dec. 20 *49
- Varazze project, a concrete arch bridge using wood falsework for its 331 ft span ..... Aug. 16 *71

Kansas City, Mo.
- Missouri crossings: ancestor (1869), first generation and new addition ..... Sept. 27 *27

Kansas turnpike bridge is memorial to young engineer ..... Aug. 23 32

Kingston-Rhinecliff Bridge, N. Y.
- Erection speed governs newest Hudson bridge (map) ..... Aug. 9 (F) *42

Lansing, Mich.
- Overpass is made of prefabricated steel ..... Nov. 15 *23

Louisiana
- 24-mile bridge across Lake Pontchartrain ..... Aug. 30 (F) *30
- 24-mile bridge across Lake Pontchartrain—Good cost record. M. M. Upson ..... Nov. 8 6

Michigan
- Mackinac Bridge cable spinning begins ..... July 26 25
- Mackinac Bridge, world's longest suspension span may become model for Sweden-Denmark bridge ..... Nov. 15 64

Missouri River Bridge, Leavenworth, Kansas
- Cited most beautiful bridge ..... Oct. 25 *26

Montana
- T-beam bridges (unit prices) ..... Sept. 6 120

New Orleans, La.
- New bridge keys city's development—Delay from strikes. F. M. Masters ..... Aug. 2 8

New York City
- Staten Island—N. J. railroad bridge contract awarded for longest lift span ..... Dec. 13 *25

New York State
- Thruway viaduct sets welded-girder record. E. J. Ramer ..... Nov. 1 (F) *43

New Zealand
- Mangaturanga Stream bridge ..... Sept. 27 *52

Philadelphia, Pa.
- Walt Whitman Bridge nears completion ..... Aug. 9 *28

Quinnipiac River Bridge, Conn.
- Banded forms save time and money ..... Dec. 13 (F) *40

San Francisco, Calif.
- Bay crossing called financially marginal ..... Nov. 15 24
- Richmond-San Rafael Bridge outmodes another bay ferry ..... Sept. 13 *28

Santa Felicia Dam, Calif.—cranes move in unison to erect 122-foot precast span ..... Sept. 27 *41

Singapore
- Early suspension bridge, Norman De Wind ..... July 5 *10

Stockholm, Sweden
- New bridge billed as the largest single-leaf bascule in the world ..... Aug. 30 *44
- New bridge billed as the largest single-leaf bascule in the world—Speed questioned. D. N. Becker—Speed answered. Correction. George Williamson ..... Oct. 18 8

Texas
- Corpus Christi Ship Channel Bridge—prestressed girders (unit prices) ..... Dec. 20 61

Venezuela
- Lake Maracaibo strait bridge ..... July 15 61

Washington, D. C.
- Bridges top estimate by 19.5% (unit prices) ..... Sept. 6 120

Washington State
- Forest highway bridges (unit prices) ..... Dec. 6 243
- Location of second floating bridge across Lake Washington awaits new recommendation ..... Aug. 23 34
- Plans for two new bridges gain headway ..... July 5 32
- Proposed Seattle crossing plagued by legal doubts about toll ..... Aug. 9 24

Wyoming
- Continuous concrete slab bridge (unit prices) ..... Dec. 6 243

* Illustrated; e, editorials; (F) Articles over a page

I-beam bridge over Snake River in Grand Teton National Park and highway cost $631,452 (unit prices) Nov. 15 82
Brush control—Reducing the high cost. B. B. Hodgden .....Dec. 6 (F) *287
Budd, Ralph—Honored for brilliant career by AICE.....Dec. 6 *75
Bugge, W. A.—Heads up AASHO.Nov. 29 *54

Building Accidents and Failures

Columbus, Ohio—partly erected steel framework of an auditorium collapses .....Aug. 2 *24
Elk Point, S. D. buildings imperiled by soil settlement .....Oct. 11 *33
Jackson, Mich.—flat slab breaks from columns in building failure..Oct. 11 *24
Jackson, Mich.—flat slab breaks from columns in building failure—Cracks at inflection points. D. H. Cheakin Nov. 22 6
Jackson, Miss.
5-story reinforced concrete parking garage collapses .....Oct. 11 25
5-story reinforced concrete parking garage collapses—Engineer must design formwork. Zachary Sherman .....Nov. 1 8
Orlando, Fla.
Rain broke school roof.....Oct. 18 27
School roof collapse held a bearing failure .....Nov. 8 25
School roof collapses, inquiries under way .....Sept. 20 27
Robins Air Force Base, Macon, Ga.
Concrete warehouse roof failure sparks more studies.....Sept. 27 *28
Concrete warehouse roof failure sparks more studies—Failure report clarified. Edward Cohen Oct. 25 11
Concrete warehouse roof failure sparks more studies—More facts and less theorizing. H. M. Hadley Oct. 25 12
Concrete warehouse roof failure sparks more studies—Why frame girders failed. Louis Halog. Oct. 18 11
San Mateo, Calif.—lift-slab school roof collapse in 1954—four men injured, get award.....Nov. 29 27
Secrecy is dangerous.....Oct. 11 e160
Wilkins Air Force Station warehouse collapse—Frames failed in torsion E. H. Harder.....Dec. 13 10

Building Construction

AFL-CIO housing proposals....Nov. 15 117
American Brass mill at Paramount, Calif foundations go in last...Sept. 13 *32
Better factories for improved productivity .....July 5 e200
Beverly Hills, Calif.—$10-million co-op apartment planned.....Nov. 15 108
Building for industry—better, faster, cheaper—report .....July 5 (F) *37-107
Building for industry—Here's where the boom is heading (map)...July 5 103
Building for industry—How industrial construction shifts from one region to another—1938-1956 (charts) July 5 (F) 104
Canada, Toronto apartment boom Sept. 20 56
College construction mushrooming into boom construction (chart) Sept. 27 (F) 21
Commack, N. Y., sports arena said to be biggest building yet framed with glue-laminated wood roof arches Aug. 30 *27
Costs
AGC official claims labor keeps building costs high.....Nov. 15 115
American Appraisal building cost index (table).....Dec. 6 96
Boeckh index of building costs (table) .....Dec. 6 99
Building cost and price indexes (charts & tables) .....Dec. 6 92
Building for industry—35 ways to cut building costs.....July 5 (F) *46
Building for industry—35 ways to cut building costs—Another source for closures. W. C. Fischer. Aug. 9 8
Building for industry—35 ways to cut building costs—How to cut footing costs. C. A. Fetzer..Aug. 2 10
Construction-room is key to housing bid-price check (charts & tables) .....Dec. 6 (F) 288
Detroit's convention hall will go ahead despite reported increase of $7 million in estimated cost Nov. 29 27
ENR construction and building cost indexes (charts & tables)...Dec. 6 81
ENR cost indexes in 21 cities 1948-1956 (charts & tables).....Dec. 6 81
Guide for television station cost estimates. R. D. Chipps (tables) Dec. 6 (F) 273
Handy-Whitman index of public utility costs (table).....Dec. 6 101
Methods for cutting costs on homes of medium size.....Nov. 8 24
Teaneck, N. J.—budget balancers built into school bids (tables) Dec. 6 (F) *280
Where the building dollar goes (table) .....Dec. 6 208
Where the building dollars go (unit prices) .....Aug. 2 62
Where the industrial building dollar goes (unit prices).....July 5 137
Dallas-Fort Worth, Tex.—on-the-spot report .....Dec. 20 *72
Denver, Colo., excavation for building project believed to be world's biggest on record.....July 12 *24
Dome roof for Alburquerque, N. M., civic auditorium, formed on mound needs no shoring.....Sept. 27 (F) *36
Eisenhower's record on construction (chart) .....July 19 21
Enfield, Conn., state prision plans bog down in disagreement over type of enclosure .....July 26 28
Enfield, Conn. state prision—sit-down strike at Wethersfield may spur building program of new penitenisry Aug. 9 28
GSA's Public Buildings Service set for big spurt in federal lease-purchase. V. B. Smith.....Sept. 6 (F) *23
Haifa, Israel—parabolic contour for chemical storage building....Sept. 6 *74
Homebuilders go to court in dispute on stucco work .....Nov. 1 116
How 81 manufacturers handle design and construction of new plant July 5 (F) 177
How much does insulation pay off? Sept. 6 99
Industrial building boom 1956 (table) Nov. 8 21
Industrial building boom—reserve capacity is the key (chart & tables) Nov. 1 108
Industrial building contracts set July record (table).....Aug. 9 134
McKeesport, Pa. compost plant set to serve city.....Sept 6 *26
Melbourne, Australia hotel will feature built-in heliport and rotating cabaret atop glass tower.....Sept. 20 *62
Minneapolis, Minn. office building has colored glass panels with panelized backup .....Nov. 15 *23
New data on how materials behave Oct. 4 (F) 45
New Orleans warehouse low cost construction acheived through use of wood "poles" to support building Sept. 13 *87
New York City—bolting begins for 38-story building.....Nov. 22 *28
N. Y. C. sidewalk protection bridge around new office building under construction promotes good will..Dec. 20 *26
N. Y. C.'s Wagner Houses—concrete placed at 235 cu yd per hr for foundation mat.....Dec. 20 *22
Nice, France exhibition palace—concrete louvers arch 285ft. Aug 23 (F) *56
Novel pile-driving method expands base, shrinks cost at Jacksonville, Fla. building site.....Oct. 4 92
Pawling, N. Y. nuclear research facility features low-cost shielding. R. F. Borg (table).....Dec. 6 (F) *295
Plastic house—M.I.T. test home goes up in Disneyland.....Sept. 13 102
Prefabrication speeding Russian housing project.....Sept. 6 *72
Regional outlook for the second half of '56 (chart).....July 12 105
Revolving room tops out new home in New Albany, Ohio.....Aug. 30 *28
St. Louis site readied for 100-ft tube framed dome.....Aug. 9 *27
Six three-hinged arches form roof dome for Palo Alto, Calif. market. H. M. Engle.....Sept. 13 (F) *42
Union Bridge, Md. cement-storage silos—hoppers raised to gantry by ground-based cranes.....Aug. 9 (F) *47
U. S. construction: how fast should it go? (charts).....Sept.20 (F) 21
Vertical trusses resist wind load in Nashville, Tenn. skyscraper. R. H. Bryan .....Sept. 6 (F) *36

Building Design

Albuquerque, N. M. civic auditorium—dome roof formed on mound needs no shoring .....Sept 27 (F) *36
Better factories for improved productivity .....July 5 e200
Building for industry—better, faster, cheaper—report .....July 5 (F) *37-107
Building for industry—is the trend toward one-story or multistory buildings? .....July 5 *39
Building for industry—New levels in noise control .....July 5 (F) *74
Building for industry—what are industry's new buildings like?..July 5 *38
Building for industry—who designs buildings for industry?.....July 5 *44
Built-in jacks lift settling vault for San Francisco bank....Dec. 13 (F) *37
California changes design of two buildings as result of steel shortage Sept 13 33
Commack, N. Y. sports arena said to be biggest building yet framed with glued-laminated wood roof arches Aug. 30 *27
Earthquake resistance
Los Angeles office building—continuity lightens welded steel frame by 350 tons.....July 12 (F) *38
Quake-resistant design experts pool knowledge .....July 26 (F) *32
San Francisco Office building dollar goes (unit prices).....July 5 137
Dallas-Fort Worth, Tex.—on-the-spot report .....Dec. 20 *72
Denver, Colo., excavation for building project believed to be world's biggest on record.....July 12 *24
Dome roof for Alburquerque, N. M., civic auditorium, formed on mound needs no shoring.....Sept. 27 (F) *36
Eisenhower's record on construction (chart) .....July 19 21
Enfield, Conn., state prision plans bog down in disagreement over type of enclosure .....July 26 28
Enfield, Conn. state prision—sit-down strike at Wethersfield may spur building program of new penitenisry Aug. 9 28
GSA's Public Buildings Service set for big spurt in federal lease-purchase. V. B. Smith.....Sept. 6 (F) *23
Haifa, Israel—parabolic contour for chemical storage building....Sept. 6 *74
Homebuilders go to court in dispute on stucco work .....Nov. 1 116
How 81 manufacturers handle design and construction of new plant July 5 (F) 177
How much does insulation pay off? Sept. 6 99
Industrial building boom 1956 (table) Nov. 8 21
Industrial building boom—reserve capacity is the key (chart & tables) Nov. 1 108
Industrial building contracts set July record (table).....Aug. 9 134
McKeesport, Pa. compost plant set to serve city.....Sept 6 *26
Melbourne, Australia hotel will feature built-in heliport and rotating cabaret atop glass tower.....Sept. 20 *62
Minneapolis, Minn. office building has colored glass panels with panelized backup .....Nov. 15 *23
New data on how materials behave Oct. 4 (F) 45
New Orleans warehouse low cost construction acheived through use of wood "poles" to support building Sept. 13 *87
New York City—bolting begins for 38-story building.....Nov. 22 *28
N. Y. C. sidewalk protection bridge around new office building under construction promotes good will..Dec. 20 *26
N. Y. C.'s Wagner Houses—concrete placed at 235 cu yd per hr for foundation mat.....Dec. 20 *22
Nice, France exhibition palace—concrete louvers arch 285ft. Aug 23 (F) *56
Novel pile-driving method expands base, shrinks cost at Jacksonville, Fla. building site.....Oct. 4 92
Pawling, N. Y. nuclear research facility features low-cost shielding. R. F. Borg (table).....Dec. 6 (F) *295
Plastic house—M.I.T. test home goes up in Disneyland.....Sept. 13 102
Prefabrication speeding Russian housing project.....Sept. 6 *72
Regional outlook for the second half of '56 (chart).....July 12 105
Revolving room tops out new home in New Albany, Ohio.....Aug. 30 *28
St. Louis site readied for 100-ft tube framed dome.....Aug. 9 *27
Six three-hinged arches form roof dome for Palo Alto, Calif. market. H. M. Engle.....Sept. 13 (F) *42
Union Bridge, Md. cement-storage silos—hoppers raised to gantry by ground-based cranes.....Aug. 9 (F) *47
U. S. construction: how fast should it go? (charts).....Sept.20 (F) 21
Vertical trusses resist wind load in Nashville, Tenn. skyscraper. R. H. Bryan .....Sept. 6 (F) *36
San Francisco Office building dollar goes (unit prices).....July 5 137
San Francisco, Calif.—20-story glass-walled office building on columns Aug. 2 *21
Furthering modular measure...July 26 e120
GSA-approved designs keep pace with the times .....Sept. 6 *25
Harrisburg, Pa.
Stone-enclosured buildings—Credit for stone. G. A. Crago...Sept 27 8
Stone-enclosured buildings—new look in sandwich panels...Aug. 16 (F) *35
How 81 manufacturers handle design and construction of new plant July 5 (F) 177
Hyperbolic-paraboloidal roof shape; pilot project passes tests..Oct. 4 (F) *65
Hyperbolic paraboloid roofs lobby of Waikikian Hotel, Hawaii..Dec. 20 *24
Hyperbolic-paraboloidal shaped concrete roof of a gasoline service station in Fayetteville, N. C..Oct. 25 (F) *33
Lichtfield County Hospital, Winsted, Conn. six-story lift-slab completed Nov.22 *24
Lyndhurst, N. J. industrial plant gets heaviest reinforced roof slabs Nov. 22 *25
Metal prefabs fill classroom need Oct. 11 *73
New York City
Bolting begins for 38-story building Nov. 22 *28
Seagram Building's first bronze panels are placed.....Nov. 8 *24
Palo Alto, Calif. market roof dome formed by six three-hinged arches H. M. Engle.....Sept. 13 (F) *42
Parabolic contour of chemical storage building in Haifa, Israel....Sept. 6 *74
Paraboloidal perplexity. J. H. Kaiser Sept. 27 8
Portland, Ore. building planned as 8-story reinforced concrete structure changed to 11-story with steelframe construction .....Nov. 1 *25
Revolving room tops out new home Aug. 30 *28
Thin panels curtain five-story building at the Homestead District Works, Munhall, Pa. .....Nov. 8 *25
Turin, Italy, building facade shows man's progress .....Sept. 13 *65
Ultimate-strength design—London conference hears new prediction theories .....July 26 70
Wind Resistant
Nashville, Tenn. skyscraper vertical trusses resist wind load. R. H. Bryan .....Sept. 6 (F) *36
X-shaped engineering building planned in South Charleston, W. Va. by Carbide & Carbon Chemical.....Nov. 29 *77
Building Design see also Beams, Concrete, Girders, Roofs and Roofing

Building Laws and Regulations

Better building inspection.....Nov. 8 e160
Better building inspection—In favor. J. C. Cook.....Dec. 6 12
Brooklyn, N. Y. cave-in—five construction company officials indicted Sept. 20 25
Building officials plan housing and sign codes .....Nov. 22 29
Code changes for Los Angeles, Denver and the Midwest.....Nov. 1 27
Ultimate-strength design—London conference hears new prediction theories .....July 26 70

Buildings

Albuquerque, New Mexico
Dome roof for civic auditorium formed on mound needs no shoring Sept. 27 (F) *36
Beverly Hills, Calif.,
$10-million co-op apartment.Nov. 15 *108
Bloomfield, Conn.
Speeding installation of window panes for Connecticut General Life Insurance Building .....Aug. 9 *64
Building for industry—better, faster, cheaper—report .....July 5 (F) *37-107
Camden, N. J.
Convention Hall lighting is high-frequency, low-cost .....Oct. 25 *27
Chicago
International Amphitheater being enlarged .....Nov. 22 *27
Commack, N. Y.
Sports arena said to be biggest building yet framed with glued-laminated wood roof arches...Aug. 30 *27
Denver, Colo.
Solar heating being tested in nine-room house .....Aug. 16 81
Detroit, Mich.
Convention hall and exhibit building will go ahead despite reported increase of $7 million in estimated cost .....Nov. 29 27
Elk Point, S. D.
High school walls crack, soil settlement blamed .....Oct. 11 *33

* Illustrated; e, editorials; (F) Articles over a page

Fayetteville, N. C.
Gasoline service station's concrete roof is a hyperbolic-paraboloidal shell .....Oct. 25 (F) *33
Great Britain
Calder Hall Station, world's first nuclear plant .....Oct. 25 *48
Haifa, Israel
Parabolic contour for chemical storage building .....Sept. 6 *74
Harrisburg, Pa.
Stone-enclosured state buildings Aug. 16 (F) *35
Stone-enclosured buildings—Credit for stone. G. A. Crago....Sept. 27 8

Structural steel capacity ..... Aug. 9 e156
Tax aid—key to future steel prices (charts) ..... Sept. 20 (F) 107
Thin panels curtain five-story building ..... Nov. 8 *25
360 ft steel trussed arches span Edwards Air Force Base hangar Aug. 9 (F) *36

Street Traffic

Columbia Univ. Teachers College gets $50,000 grant for study of traffic safety ..... Oct. 4 35
New York—three-state set planned for N. Y. traffic control ..... Aug. 9 24
Norfolk, Va. gets master plan to guide improvements in traffic flow and parking ..... Aug. 23 26
Parking
Detroit's seven-month survey indicates feasibility of underground parking garage beneath Cadillac Square ..... July 5 30
Massapequa Park, L. I. 13-acre parking lot for shopping center largest soil-cement operation ..... Oct. 25 *77
Parking is private problem under Milwaukee's proposed zoning law Nov. 29 30
Philadelphia will give up its public parking business ..... Oct. 25 26
Tucson, Ariz. report recommends $3.5-million parking plan...July 5 30
Wilmington, Del. long-range parking plan ..... Aug. 9 30
St. Louis awards engineering contracts for street traffic study ..... Sept. 6 26
Street blocking regulations are reported in APWA study ..... Dec. 6 76
Sturgis, Lt. Gen. S. D.—Retiring Chief of Engineers. V. B. Smith ..... Oct. 11 *21

Subways

Cleveland—rising cost estimates dim future of subway ..... July 19 24
New York City—BMT and IRT subways damaged by water use in fire fighting ..... July 19 25
New York City—tons of water to quench fire cause subway washout, fast repair needed ..... July 26 *23

Surveys and Surveying

Computer will speed data processing on U. S. streams ..... Sept. 20 28
Cuba to be mapped by aerial photogrammetry ..... Dec. 20 49
Engineer manpower—land surveyors. G. E. Ainsworth ..... Dec. 20 9
Helicopter aids power dam reconnaissance in Washington ..... Oct. 4 *32
Photogrammetry's growth sets stage for doubling a market in a decade (chart) ..... Nov. 15 107

Swimming Pools

Toledo, Ohio—replacement pool prices include demolition ..... Dec. 6 284
Welded pool in Oroville, Calif. won't crack in quakes ..... Aug. 23 *28
Yakima, Wash.—pool prices in detail (table) ..... Dec. 6 (F) 284

T

Tallamy, Bertram D.—A fine appointment ..... Oct. 25 e132
Named administrator of the Highway Program ..... Oct. 18 25
Tanks and Standpipes—Preventing lightning fires in floating top oil tanks Oct. 4 66
Submarinelike tank slipped inside pipe simplified Hudson River pipeline job at Jersey City loading pier Oct. 18 (F) *46

Taxation

AFL-CIO asks tax reduction, would close loopholes, up exemptions July 12 112
Baltimore approves new tax though firms warn of curbs in expansion plans ..... Dec. 20 23
Baltimore firms threaten to curtail plant expansion plans if property tax is imposed ..... Dec. 6 74
Louisiana approves tax exemptions to develop new industry ..... Nov. 29 79
Meany sees higher wages and tax cuts necessary ..... Aug. 2 79
New Jersey Governor seeks gas tax increase to finance state's share of highway program ..... Sept. 13 28
North Carolina may double its contractors taxes ..... Dec. 20 23
Tax aid—key to future steel prices (charts) ..... Sept. 20 (F) 107

Television

Cedar Rapids, Iowa, television tower toppled by wind ..... Dec. 20 *23
Closed-circuit television for surveillance of construction of St Lawrence Power Dam at Massena, N. Y. ..... Aug. 9 *64
Guide for television station cost estimates. R. D. Chipp (tables) Dec. 6 (F) 273
Smiths on TV ..... Sept. 6 e192
Table Rock Dam—cableway control via TV ..... Sept. 6 (F) *46
TV on construction ..... Sept. 6 e192

Tennessee Valley Authority

Gallatin Steam Plant adds TVA's latest, biggest pair of units. C. W. Bell ..... Aug. 23 (F) *52
Water shortage and dwindling power reserve tempts Tennessee leaders to become selective in luring industrial users ..... Nov. 1 29
Wilson Lock: models lick site and 100-ft lift ..... Aug. 30 (F) *34
Termites—Hawaii Highway Dept. battles bridge-devouring termites July 12 28
Testing—Convairs silencer building quiets jet engines ..... Oct. 4 *35
New data on how materials behave Oct. 4 (F) 45
Tornados see Wind Storms

Towers

Cedar Rapids, Iowa, television tower toppled by wind ..... Dec. 20 *23
Edmonton, Alberta—tubular-steel hoist tower collapses ..... Oct. 25 *28
North Bergen, N. J.—riggers' skill folds damaged tower ..... Nov. 22 *26
Radio tower on Canadian-U. S. border will test new theory ..... July 5 *32
Rocket test stand cantilever concrete-ing needs massive timber tower support ..... July 26 (F) *40
Second Texas Tower is Air Force base. C. Pratt Brown ..... Sept. 20 10

Training

AEC fellowships to advance nuclear energy technology ..... Nov. 22 55
Automation spurs training for Canadian electricians ..... Aug. 23 119
Corps of Engineers and College of the Pacific set up engineer training program ..... Oct. 25 28
Education for construction ..... Oct. 11 e160
Engineering manpower problem in construction (report) (chart) Nov. 8 (F) *28
Financing of training programs for apprentices and journeymen a problem facing labor and industry, according to director of Federal Bureau of Apprenticeship ..... Oct. 15 118
High school guidance man says: Don't blame us for the shortage. J. F. Ohles ..... Nov. 8 *29
Labor group undertakes training program in Greece ..... Sept. 27 118
New schools promise supply of engineers, technicians ..... Dec. 6 78
Pre-job training, bricklayer apprentices are taught trade fundamentals Nov. 8 142
Train apprentices fully ..... Oct. 18 e132
Training for construction management—contractors and educators exchange views ..... July 5 29
Upgrading the technician ..... Dec. 27 e88
Tramways see Cables and Cableways

Transportation

Age and competition spur new ports boom (map & table) ..... Oct. 18 *21
Air transport cheaper in the Arctic Dec. 6 287
Chicago elevated will try moving ramp Oct. 18 *28
Great Lakes port for shipping taconite is built by ore industry. Alonzo Dell. Quinn (map)..Oct. 18 (F) *38
Monorail transit okayed for Texas State Fair ..... Aug. 9 30
Rapid transit system linking New Jersey and Philadelphia wins an endorsement ..... Aug. 30 24
Research for the transportation industry at new technical center at Northwestern Univ. ..... Oct. 18 28

Trusses

Old truss is removed, put back in in a Seattle remodelling program..Oct. 25 *24

* Illustrated; e, editorials; (F) Articles over a page

Steel trussed arches span 369 ft in Edwards Air Force Base hangar ... Aug. 9 (F) *36
Truss spans erected on barges for Grey's Point Bridge, Va. ... Nov. 8 (F) *54
Tully, Edward A.—head of Tully & Di-Napoli contracting firm ... Aug. 16 *82

Tunnels

Banihal Tunnel, Kashmir
Scheduled for 1958 completion ... Nov. 29 44
Brazil
Peixoto Dam's 53 ft dia 600 ft long diversion tunnel is one of the largest ever mined (map) .. Aug. 2 (F) *43
Canada
Possible effects on channel holds up B. C. Fraser River tunnel work ... Nov. 8 62
Cascade Tunnel, Wash.
Ventilation system changes tunnel operation ... Nov. 8 *52
Cuba—vehicular tunnel to connect downtown Havana with underdeveloped land across the Bay of Havana underway ... Aug. 30 *43
Denver's water diversion under Continental Divide (unit prices) .... Dec. 6 227
Feather River diversion tunnel collapse kills two as timber supports fail ... July 12 24
Ft. Pitt Tunnel at Pittsburgh contracts slated for award this year .... Oct. 18 25
Haas power plant, Calif. hydro project to have first big underground plant in U. S. ... Oct. 18 *26
Hampton Roads Bridge-Tunnel Norfolk Va.
Approaches slow Hampton Roads job (map) ... Nov. 29 (F) *34
Honolulu's traffic tunnel redesign to include invert ... Oct. 11 59
Kammon Tunnel, Japan
Traffic tunnel is biggest Japanese job (map) ... Sept. 13 (F) *57
Louisiana appropriated $14 million for tunnel under the Industrial Canal in New Orleans ... July 19 28
Missouri River's Fort Peck Dam—Concrete tunnel lining after twenty years use ... Oct. 18 (F) *23
New York City
Lincoln Tunnel—girders for main-line approach to the Pennsylvania RR Station connected during slack hours ... Aug. 23 *26
Lincoln Tunnel third tube nears final stage—water jets push completion ... Sept. 20 (F) *30
Seattle City Light offers reservoir tunnels to locate water leaks as a safeguard to mining properties ... Nov. 15 *27
Sweden—new drilling pattern used on hydro tunnel ... Nov. 8 (F) *51
Underwater tunnels—Older sunk-in-place tunnel. Shu-T'ien Li .... July 19 10
Virginia
Chesapeake bridge tunnel advances with traffic study ... Aug. 9 28
Norfolk and Portsmouth give two site preferences ... July 19 24
West Delaware Tunnel, N. Y.
44-mile water tunnel hits its first snag ... Sept. 27 (F) *30
Prices up (unit prices) ... Dec. 6 229

U

Unit Prices—July 5-137, July 12-74, July 19-89, July 26-78, Aug. 2-62, Aug. 9-91, Aug. 16-98, Aug. 23-86, Aug. 30-66, Sept. 6-120, Sept. 13-110, Sept. 20-89, Sept. 27-72, Oct. 4-107, Oct. 11-108, Oct. 18-85, Oct. 25-82, Nov. 1-78, Nov. 8-94, Nov. 15-82, Nov. 22-56, Nov. 29-58, Dec. 6-215, Dec. 13-60, Dec. 20-61, Dec. 27 58
United Nations—1957's Expanded Program of Technical Assistance .. Oct. 25 109
U. S. Air Force—Requests funds for new jet strip at New Castle, Del. County Airport ... July 5 32

U. S. Army Engineers

Fort Belvoir, Va. power reactor to furnish training facility for Army personnel ... July 12 (F) *45
Itschner, Maj. Gen. Emerson C. new Chief of Engineers ... Aug. 23 *25
New chief takes over a "New Corps". V. B. Smith ... Oct. 11 *21

U. S. Bureau of Public Roads

Pilot state plan to study interstate system traffic ... Aug. 16 24
Right man needed ... Aug. 16 e156
Takes over supervision of Alaska Road Commission ... Oct. 11 44
